

Gourmondo Full Service Events offers a range of options, from a fully custom tailored service where we design a menu for you, to choosing from our 'build on site' or 'ready to serve' menu options. Service staff, bartending service, and chefs are available to cater your event needs. Our event planners are here to guide you through every step of the process.

HOW THE MENUS WORK:

READY TO SERVE: Our menu offers a wide range of options that are ready to serve on arrival. These items are available for all staffed and non-staffed events.

BUILD ON SITE: Our build on site menu offers a selection of hot & cold food, which is prepared off site then freshly assembled, cooked or heated on site. This allows for a high level of presentation and requires that our chefs have access to a kitchen or the space for us to construct a temporary kitchen. Plated dinners and family style dinners are two types of service style options that require chefs on site.

Cooking On Site: Choosing a build on site menu items will mean our chefs will need to work out of your kitchen, or a make shift kitchen, during the event. Please ask for our advice about menu selections if you have any concerns about cooking in your event space. No chefs are required for ready to serve menu items. Chefs will be staffed according to your menu and event needs.

Service staff: We also offer service staff for hire to set up your event, serve your guests and bartend. Staffing is based upon the parameters of your event needs.

Drinks: We're happy to create a custom bar package tailored to your menu, from signature cocktails to bottled beers, wine and soft drinks, or to provide bartenders to serve any drinks you wish to provide yourselves. No corkage charged.

Rental Equipment: If you require items such as glassware, bar items, china, tables or linens or anything else, please ask us for a custom quotation. We are happy to arrange your rentals for you.

BOOKING: To book your event, we require a signed event agreement and a deposit of 50% will be due to secure the date, with the remaining balance being due within 2 days of the event conclusion. We accept payment via cash, check or credit card.

If you are considering a venue where Gourmondo is one of the preferred caterers, we recommend contacting our events team to build a custom quote early in the venue booking process. We are happy to discuss budgets and work with you to meet your needs.

REQUEST A QUOTE Use our contact form on our website to get in touch with us today for your custom event proposal. For questions, call us at 206.587.0190 or email us at events@gourmondoco.com for requests for a custom event proposal.
